TERMS AND CONDITIONS OF SALES

Offers: Offers herein made are for the wholesale trade only, there are no exceptions.

Prices: All prices are based on present market conditions and are subject to change without notice. All prices are F.O.B. our nursery and based on a 10 or more order of each item. A 20% additional charge can be placed on all order with less than 10 of each item.

Terms: Regular terms are cash, certified check, money order, personal check, Visa or MasterCard. Please do not expense credit to be given on a 24 hour notice. Established credit takes time for process and approval. Terms for ALL first year customers are C.O.D. unless arrangements have been made in advance. If you are give Net Terms and do not

pay within those term periods, your account WILL revert back to C.O.D. Over due accounts shall be charged a 1.5% per month or portion (18% annually) plus cost of collection (if any). All credit applications must be signed with both business and personal guarantees, or no credit terms will be considered.

There will be a \$35.00 service charge on all checks returned due to insufficient funds, in addition to any additional fees that are charged by the bank.

Pickup: Customers may pick up their own material or send their own trucking company to pick up their material. However, customers are asked to supply suitable coverings to protect their plants in transit. No claims will be considered on uncovered material. There is no charge for our labor to load trucks, it is already factored into the pricing of the trees.

Deliveries: Transportation provided by our third party trucking companies is an additional fee for the freight, paid directly to the trucking companies. All trees travel at the risk of the purchaser and any claims regarding damage during the shipment should be made directly to the trucking companies.

All freight charges are due when material is delivered unless previously negotiated with the trucking company. Please have equipment and personnel available to unload the truck in a timely manner. Drivers are not required to unload or assist with unloading the material. Drivers allow three (3) hours retention for unloading. A \$50.00 per hour charge will be assessed for each hour exceeding that time limit.

Claims: Any claims or complaints must be made in writing within five (5) days of delivery. Immediate discrepancies or issues must be noted on the signed delivery ticket. No claims will be considered after the five (5) day period.

Disputes: North Carolina law shall govern all of the terms and provisions of our contract. In the event that a dispute arises as to the enforcement of any of the terms and provisions within this contract, Bryan Wagoner Tree Farm LLC shall be entitled to recover any reasonable attorney fees incurred, regardless of whether or not a legal action is instituted.

Guarantee: We warrant to the extent of the purchase price that the plants sold are true to name and are as described with recognized tolerances: no other warranty is given, expressed, or implied. We will under no circumstance be liable for more than the sum paid for the stock. When plants leave our possession, we have no way of knowing whether they receive proper care. Therefore, we do not guarantee that they live past inspection or to be saleable.

All orders are booked on the understanding that the purchaser agrees to the conditions of sale as aforementioned.
